

Washington Rural Counties Insurance Program

My Risk Solutions

The Washington Rural Counties Insurance Program (WRCIP) offers an innovative and proactive approach to reducing the risks and challenges facing the members we serve. We do this by providing an assortment of risk management services that have been specifically designed with your unique needs in mind.

In conjunction with our Program Administrator, Clear Risk Solutions, we provide risk management services through My Risk Solutions. At www.myrisksolutions.com you will have access to:

Webinars

Webinar Library:
Recorded webinars
on a variety of
topics

On Demand Trainings

Web-based training
modules comprised
of lessons
addressing a wide
array of subjects

News Briefs

Weekly articles
covering current
event topics that
provide guidelines
and commentary

Model Policies

Sample policies
you can review
and adapt for your
organization

Model Forms

Checklists,
manuals, guidelines
and forms you can
model for your
organization

Accessing My Risk Solutions

- My Risk Solutions is available as a value added service at no additional cost for WRCIP members
- Visit the Risk Management page at: www.wrcip.us and select the link for My Risk Solutions or directly visit: www.myrisksolutions.com.
- Select the "Register Here" link above the login boxes and enter your WRCIP passcode. Then accept your designation as the default site administrator, fill in your user information, and create your own password. If you do not have a passcode, please contact Patti Ferguson.
- You will receive an email notification confirming your registration.
- For more information or any questions, please contact Patti Ferguson at our office. Patti can be reached directly at: 800.407.2027 or via email at: pferguson@chooseclear.com.

For more information call: 800.407.2027
